Summary Comments:

Allen Ellison was selected as the Democratic candidate for the district after the unexpected death of [April Freeman](#) on September 23, 2018. Ellison believes government jobs are the solution to economic freedom.

We are happy to endorse Greg Steube, a solid supporter of the Constitution. He is pro-life and for strong immigration control. He scored high on fiscal responsibility; he encourages the free market to take care of educational choice, healthcare and the NFIB ranked him as 100% pro-business.

When Greg Steube wins District 17, the people win.
